AAPAC Meeting
(Ann Arbor Parent Advisory Committee for Special Education)

June 1, 2015
7:00 to 9:00 p.m.*

Tappan Middle School CAFETERIA (1st floor, west end)
2251 E. Stadium Blvd., Ann Arbor, MI

*From 6:15 to 6:50 p.m., SISS Administrators will be available to speak to parents/guardians regarding any concerns about their child's services.

End-of-Year Share:

Bring special needs items you no longer need,
And/or your favorite dish or recipe for restricted diets

Instead of a traditional meeting, we’re hoping our families will enjoy a chance to socialize, eat, and exchange special needs items they no longer need with other AAPS families.

Bring your clean used and/or new communication devices, adapted equipment, sensory tools, parenting books, etc. that you think other families might benefit from. We’ll have tables set up so you can browse and select items. No selling, just free items that need a good home. Items remaining at the end of the night can go home with you, or we will take them to the PTO Thrift Shop as donations.

Or bring a recipe or a potluck dish – let’s share our favorite recipes for children who may have food allergies or intolerances, or any other dishes that you would like to bring.

We’ll also conduct some meeting business – gathering feedback on this year’s meetings topics and suggestions for next year’s, and recruiting/voting for the AAPAC board.
