| 7:00 PM | Welcome  
AAPAC Executive Board |
| 7:05 PM | Building-level Transitions Overview  
AAPS administrators will present on what to expect when children are moving from Preschool to Elementary, Elementary to Middle, and/or Middle to High School, and High School to Post-Secondary Programs (that’s RISING Young 5s, Kindergarteners, 6th graders, 9th graders, or 4th/5th year high school students).  
The first part of the meeting will focus on transition issues such as timing of transition IEPs and other considerations that are universal regardless of the level change.  
- Dr. Marianne Fidishin, SISS Executive Director  
- Assistant Directors, SISS |
| 7:30 PM | Breakout Sessions by Level (Elem, Middle, High, Post-high)  
AAPS staff, including SISS Assistant Directors and building principals will meet with families to answer questions specific to a level of building transition.  
- SISS Assistant Directors  
- Principals by Building Level |
| 7:50 PM | Repeat Breakout Sessions by Level (Elem, Middle, High, Post-high)  
Many AAPAC families have children with disabilities in different grades, or may be curious to see what to expect further down the road. The second half of the breakout time is intended to allow families to choose a second level-type. |
| 8:10 PM | Building Representative Meeting with AAPAC Exec Board  
Current and potential building representative parents are invited to meet with the Executive Board to talk about our responsibilities as building reps, how we can support each other, and ways to increase family participation and connection (**recurring agenda item**) |
